Google Pixel 5 – 4

Google Pixel 5 – 5

Google Pixel 5 – 6

# App Demo

# Technical Details

Reason 1

Reason 2

Feature 3

# Live Demo Steps

Install App (Show permission management)

Manually Start Focus Time

Restart App

Schedule Event for Today

Schedule Focus Time (Plus Icon Calendar)

Edit Focus Time

Show importable Events (Normal - Daily - Weekly - Monthly)

Import Weekly (or something)

Delete One

Show different day views

Now the manual focustime should go off
